

Behaviour Policy

We treat our learners as responsible adults and we expect them to behave in a mature and responsible manner.

We expect all learners to:

- Treat other people the way they would wish to be treated.
- Take pride in their study environment.
- Work hard to achieve their potential and allow others to achieve theirs.
- Be individual and make their voices heard, but consider the consequences of what they say.
- Respect other opinions and cultures. Basil Paterson Edinburgh welcomes students from all over the world and we expect our students to integrate and respect each others' differences.
- Respect the property of the school and of others.

In cases of severe misconduct, the school reserves the right to expel learners without refund of fees. Such cases include, but are not exclusive to, anti-social behaviour, bullying, violence, any illegal activity on or outside the school premises and persistent non-attendance.
